Upon arrival at the Salt Lake Airport, go to the baggage claim area for your airline. While you are waiting for your luggage, please check in with the Park City Transportation representative at the Ground Transportation Desk. Our desk in Terminal 1 (all airlines except Delta/Sky West) is located adjacent to carousel #3. In Terminal 2 (Delta/Sky West Airlines) our desk is located by baggage carousel #7, at the far end of the baggage claiming area. Both desks are very well marked as Park City Transportation. Our representative will check you in and put you on the next available van to Park City. Generally we depart the Salt Lake Airport approximately every 20-30 minutes.

If you have paid round trip, you will be given our local Park City phone number to call to reconfirm your departure. You must call our office 24-48 hours prior to departure to confirm your seat on the van. At this time we can decide which time is best for your departure due to weather and or security concerns. We depart Park City every hour on the hour from 4 a.m. to 9 p.m. daily. Check out arrangements must be made in advance to pick up. Your driver will not be able to take you to check out or return rental equipment. Please be advised that the driver may have several pick ups, so you will be picked up at the top of the hour, or shortly there after. We also ask that you have your bags outside and be watching for your driver.

Thank you for choosing Park City Transportation and have a wonderful vacation!
